# REUNIONS.

Catherings of Old Comrades All Over the Country.

Henrion Chiengo Board of Trade Cattery. Minn. May 4 22 survivors of the great Chicago Board of Trade Battery attended the Annual Reunion, and they were entertained by the old calls upon the battery bugle which was used contin-uously during the war and has not been uously during the war and has not been blown in public since it sounded the Sept. 20. H. H. Fisk, President, Spring-assembly for the muster-out in July, ville, N. Y.; T. R. Aldrich, Secretary, 1865. Of the 248 men who were mustered into the battery there is now a record of only 60 survivors, of whom 22 were present. At the Reunion an admirable historical sketch of the Wilson raid was read by Comrade J. A. Theater, Saratoga Springs, N. Y., at Nourse, which will appear in an early 9:30 a. m., Sept. 12. Col. Lyman Ormsse, which will appear in an early number of The National Tribune.

# Reunion of the 89th Ill.

friends, also the Ladies of the W. R. C. and the Ladies of the G. A. R. who would like to go. This train will leave the Grand Central Depot at 1 o'clock p. m., Sunday, Sept. 8, 1907, and arrive at Saratoga at 6:10. Tickets will be on sale on and after Sept. 1 at the following offices: 238 Fuiton St., 726 Fulton St. and 954 Broadway, Brooklyn.

The Board of Aldermen have passed a resolution giving the veterans of the civil war a leave of absence for five days, from Sept. 9 to 14, inclusive, with pay. This includes the whole of Greatgrease by which the dirt is attached to lar cupboard, and it may be closed in

suspended in water.

This, of course, tends to the ready removal of the dirt after it has been detached from the surface, and it is this action that chemists have pointed out as being one of the elements of the cleansing power of soap.

"The evil of excessive tea drinking." says an authority, "is the leaving the tea to stew instead of using the fresh The theine and other desirable constituents are extracted within a few minutes, and the ignorant be-lief that it takes long steeping to get the dietetic value of the leaf and that he teapot can with impunity be left 'on the hob" all day, are what really injures tea's fair fame, for the tannin and the resin, the sole deleterious properties of the leaf, are so obtained, and

in China the natives, who drink tea all day long, use the mandarin tea, which looks somewhat like a sheaf of wheat, dipping it into boiling water and allowing it to remain until the lat-ter is slightly discolored; in Japan, where also it is drunk all day ing. it is never made as strong as it is in this country; in Russia, a great tea-drinking country, the leaves are steeped for only four or five minutes, and then the liquor is poured off into another pot; and it is only among the poor of this country—who do it from mistaken no tions of economy-that the pernicious practice of overdrawing is indulged.

To obtain a fire without the use of

This is the way one woman says lamb should be cooked:

Throw it into boiling water for five minutes and drain.

Put in a stewpan a piece of butter the size of an egg and place on the fire. When melted mix in it one table-fire. When melted mix in it one table-medium that should be cultivated.

Most persons have indistinct ideas of the manner in which soap acts in removing dirt. This is not so simple a matter as it may seem, for even chemists have been more or less puzzled by it, altho there is now substantial agreement among them as to the chemistry of the process.

It is generally considered that the It is generally considered that the efficacy of soap depends mainly upon its decomposition, when it is mixed with water, into an alkali and a fatty acid. The alkali thus set free dissolves the fitted with shelves makes an ideal cel-

days, from Sep., 2 to 1.4.

pay. This includes the whole of Greater New York, and it is expected that comrades who avail themselves of this leave of absence will report at Saratoga.

The headquarters for Kings County will be at Summer Rest Cottages, 73-77 Spring St., Saratoga, N. Y.

Spring St., Saratoga, N. Y.

Comrades, let us honor our Senior agreat agitation among solid particles agreat agitation among solid particles are other factors concernded in the action of soap. Its cohesive ford to serve during the Winter months, yet if they will follow this old Maryland recipe it is said that this dish may be enjoyed on the coldest days of the year as easily as in the middle of Summer. To accomplish this feat, however, the tomatoes must first be prepared in the Summer, when they be prepared in the Summer are comparatively few housewives can are comparati are plentiful, the recipe being as fol-lows: Select the large, firm tomatoes, and fry them just as you would if you intended them for immediate service. Then pack them in medium-sized stone jars, while still hot, and pour a rather jars, while still hot, and pour a rather thick coating of warm lard over them until they have been completely covered. When the lard has cooled thorolly cover the jars—first with a cloth and then rather thickly with paper—and let them stand in a cool, dry place until required. When you desire to serve them remove the slices carefully; relieve them of any superfluous lard, and then warm by frying slightly. They will prove every bit as delicious as when

freshly fried. \* \* \* Here are some kitchen measures: Wheat flour-One quart is equal to ne pound two ounces.
Soft butter—One quart is equal to one pound.
Powdered sugar—One quart is equal

to one pound. Best brown sugar-One quart is equal to one pound two ounces. Ten eggs—Equal to one pound. Forty drops equal one teaspoonful.
One tablespoonful is equal to one-

half ounce. Four tablespoonfuls are equal to onehalf gill, or two ounces. wine glass is equal to one-half gill or two ounces.

The table is not the place for confessions, for reprimands, for unse words and conduct. The table i and D. W. Wood, of Newark, Secretary.
A committee will be appointed to repsent all of these Counties and plan for a Reunion at Buckeye Lake annually.

Coal, saturate a soft brick with kerosenesses and light same and you will obtain a fine fire which will last long enough to cook a dinner at small cost.

The New Posts in California.

Coal, saturate a soft brick with kerosenesses and light same and for the review of aliments, or a recital of depressing details. The table is not the place to discuss the wrong side of domestic service, the weak side of friends and neighbors, the tricks of friends and neighbors, the tricks of the place for the unloading of worries.
